

EDUCATION

Stony Brook University, B.S. in Biochemistry | GPA: 3.74/4.00, Magna Cum Laude

May 2026

Relevant Coursework: Cognition, Neurotransmission, Psychology, Statistics

EXPERIENCE

Project Management Intern

Syska Hennessy

Oct 2019 - May 2020

New York, NY

- Served as team lead for a 4-person intern cohort, delegating assignments across 3+ disciplines and delivering documentation 2-3 days ahead of QA deadlines for a 144,000 SF mixed-use tower.
- Team's final design and deliverables came in approximately 8% under allocated budget, attributed to early conflict resolution and ahead-of-schedule delivery.
- Coordinated weekly cross-functional meetings across HVAC, structural, and architectural disciplines, resolving design conflicts through revision cycles and eliminating reworks

Co-founder & Product Strategy Lead

@themath.ghost (TikTok)

Oct 2020 - May 2022

New York, NY

- Engineered a data-driven content model using A/B testing, algorithmic analysis, engagement analytics — scaling from 200k to 1.2M followers and 100M+ views in 18 months, with 8+ videos exceeding 3M views individually.
- Owned end-to-end partnership pipeline from outreach to contract close, securing \$15,000 in brand deals while ensuring deliverables aligned to client timelines and KPIs.
- Identified and validated high-retention content formats through iterating on hook structure, video length, and posting cadence to drive growth, achieving an average view count of 50,000+ per video at peak performance.

Clinical Operations Associate

Independent Optometric Practice (Costco)

Feb 2021- Aug 2024

Rego Park, NY

- Administered full patient intake and comprehensive pre-examination diagnostics for 15-40 patients daily including tonometry, autorefraction, retinal imaging, and visual field testing in a high-volume clinical environment.
- Onboarded and trained 3 technicians on pre-testing protocols, patient flow, and administrative procedures through verbal SOPs and hands-on mentorship across a consistent 4 year tenure.

LEADERSHIP & ACTIVITIES

Founder & Product Lead

StemboostTutor

Aug 2023 - Dec 2025

New York, NY

- Grew client base from 2 to 8 recurring students by designing a referral system that triggered at peak satisfaction — achieving zero paid acquisition cost across clients.
- Defined 3 service tiers and launched a product website with integrated booking — reducing client onboarding from open-ended email chains to 3 touchpoints and shifting billing to upfront bundled payment.
- Delivered an average 20-point score improvement per client through concept-first frameworks that diagnosed root-cause learning gaps.
